

Seems like
we can't
get in

But these
thorns are
blocking
the way

This
room...

It feels so
important

Maybe it's
hiding something
really important?

Ib?

Wait...

Ib!

Ib!!

...Ib?

If you're too
close, you
may...

Be dangerous

Why does it
feel like...

They're all
the pictures
of a same
girl...

I'm familiar
with this girl

They're all
my pictures

This is

me...

Why...

This one.
The same ⁵⁰⁰ age
The same
clothes

Those
clothes...

People bought
it for me for my
5th birthday

They're all the same

Me, when
nine years
old...

What is
going on
here?

But I'm
feeling
alright

...but
This kind of
place is
supposed to
make people
feel uneasy

Ib!!

As if I'm...

Being with him

...Ib?

Hey
Ib

Why can't I
get it...

There's no other option!

I have to find another way

to get it...

...what is this...

The crying
me?

This should be the end...

of the pictures
displayed in
this room...

but

It's a
strange
collection
of pictures

I don't know...
I couldn't
remember

When I'm at
that age...

Did I ever
cry like that?

A hand...?

...

However

The
owner
of this
hand
Who
is it?

Why
are
I
having
a
that
repression

It's
clearly
a sad
piece
of art...

Why is it
named like
this?

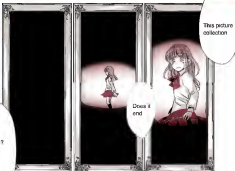

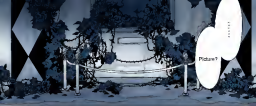

This seems to
be another
room...

This kind of place,
now...

Ah...it
hurts...

Pulling people
from there
like that is
a bit too
much...

Ends ..

So sad

But

don't
know

crying?

I... strange

Why am I...

It's just so

How is this...

tragic...

は、
ごめんなさい

I let go

of his hand

Wh
where
is this?

I let

my hand

No

Eh?

Yeah?

Ehhh...
wait...

That's
not his
name

It's fine

I'm glad
you're okay

It's always
like this...
I'm sorry...

Are you
okay?

Did something
happen in
that room?

...that...

I feel like
I've seen it
before, but
I couldn't
remember.

Ib, do
you
know?

Ah, that
picture?

Ib, do you
know about
it?

Why?

How come
that picture
is here?

Who

is this?
